

THE STORY THE NUMBERS TELL

How to Confidently Read
and Understand Your
Financial Reports

PROGRAM OVERVIEW

COURSE DURATION: 1 day

DELIVERY METHOD: 2x half day online workshops + one-on-one coaching session

WORKSHOP DATES: Tuesday 8th and 15th September 2020 (9:30am to 12:00pm AEST)

EARLY BIRD PRICE: \$995 (GST inclusive) until 19th August 2020

Would you like to feel more confident when you read and have to explain your financial results?

This online workshop explains the stories that the numbers tell. The workshop helps you to translate government finance into easy-to-understand, plain English so you become more confident and can apply your learnings immediately back into the workplace.

LEARNING OUTCOMES

- Overview of the Australian Government's Resource Management Framework and your duties under that Framework
- Understand the purpose of accounting and financial reports
- Understand common government finance and accounting terms
- Confidently interpret your financial reports
- Explain your variances
- Identify and investigate possible areas of concern
- Identify where to get additional information and support.

To further embed your learnings, following the completion of the workshop you will receive a one-on-one coaching session with Danette to go through your specific financial reports and address any additional questions or challenges you may have.

WHO SHOULD APPLY?

This program is a must if you are:

- Manage a budget and provide variance explanations for your financial reports
- An existing manager looking to boost on your current financial management skills
- New to managing a team and are wanting to build your financial management competency.
